Hi Becky,

I'll see what I can do. The conference call next week can be Wednesday 7/12 at 1 pm to 3 pm.
Let me know if this works for you all.

Thanks, Nancy

Nancy,

During our call on June 24, 2017, Jim mentioned a BHP report that discussed conductance monitoring and the need for multiple sensors. Can you please provide me the report this was included in or the title? Or a copy of it?

Thanks,

Becky
